9 <sup>th</sup> August	2.30pm to 4.30pm	Slam Bidding: Splinters (showing shortages en route to game or slam)
16 <sup>th</sup> August	2.30pm to 4.30pm	Jacoby 2NT (establishing a Game Force at a lower level), plus what 1M – 4M should mean, and Delayed Game Raises
23 <sup>rd</sup> August	2.30pm to 4.30pm	Putting it all together / Revision

### SUITED TO ALL INTERESTED PLAYERS

You will learn:

- What Roman Key Card Blackwood is about and why it is superior to Blackwood
- When to bid slams, how to bid to grand slams
- How to count how many tricks you have!
- What a Splinter bid is, by either opener or responder
- How to bid slams with minimal values but perfect fits, and how to stay out of bad slams (with plenty of values but hands that fit poorly)
- Why we use Jacoby 2NT, and the implications from its use
- What a delayed game raise means
- What an immediate jump to game after 1-Major means
